carts

SmartTrays are solid molded construction meal trays specifically designed to accommodate most menus, protect food, last longer and stack with stability to provide superior meal delivery.

- ✓ 5 compartments
- ✓ lids available for top of stack
- ✓ stack in any orientation and height
- ✓ condiment compartment
- ✓ sized to fit SmartCarts precisely
- ✓ flatware compartment
- ✓ bottom of one tray is lid for next
- ✓ material options – economy copoly or MaxFlex blend
- ✓ compartments sealed off from one another
- ✓ stock color options – Brick, Brown
- ✓ undersides headspace to keep food off of bottoms of trays

SmartCarts are unique. They can be configured as either heated or ambient with the ability to easily switch back and forth by snapping in a heat box or replacing it with an insulated panel. Only buy what you actually need, but have the ability to change your mind later. Other features include:

- ✓ heavy-duty corrections grade construction
- ✓ stainless steel, durable and easy to clean
- ✓ excellent casters, can easily upgrade/replace
- ✓ perfect fit of SmartTrays allows large capacity for cart size
- ✓ certified for UL, NSF with 1 year parts and labor warranty
