Fabrication & Material

Frame: The Respite Recliner features a durable wood frame with steel-to-steel connections for a strong and robust finish.
Cushions: Constructed of a flexible polyurethane foam wrapped in fabric for comfort, ideal for high traffic areas and suitable for health care applications.
Arm Panels: Molded arm caps extend over the top surface, are pick and pry resistant, and secured with a steel-to-steel connection.

Warranty

Mechanical Components: 2 years
Structural Frame: 10 years limited replacement warranty
Upholstery: 3 years

Maintenance

Arms caps are easily cleaned with a damp cloth and a mild soap solution. : Molded arm caps extend over the top surface, are pick and pry resistant, and secured with a steel-to-steel connection. Refer to the upholstery manufacturer's cleaning instructions for vinyl fabrics.
